REPLACEMENT OF SPOTTSVILLE BRIDGE AND IMPROVEMENT OF U.S. 60 APPROACHES

THURSDAY, OCTOBER 19, 2017
5:00 P.M. TO 7:00 PM
SPOTTSVILLE ELEMENTARY SCHOOL
9190 U.S. HWY 60 EAST
SPOTTSVILLE, KY

The Kentucky Transportation Cabinet (KYTC) has scheduled an informational meeting to **present plans for the replacement of the Spottsville Bridge over the Green River located on U.S. 60**. Anyone having an interest in this project is urged to attend.

The meeting will begin at 5:00 p.m. local time and end at approximately 7:00 p.m., local time. A formal presentation will be held at 5:30 p.m. Displays illustrating the proposed construction of the new bridge will be available. During the meeting, individuals will have the opportunity to ask questions and discuss the project with Department of Highways engineers and Stantec, PLC representatives.

Displays and other materials presented at the Public Meeting also will be available for review at the District 2 Office at 1840 North Main Street in Madisonville for two weeks following the meeting. Office Hours for the Department of Highways District 2 Office are Monday through Friday, 7:00 a.m. to 3:30 p.m., local time.

In compliance with Executive Order 12898, The Kentucky Transportation Cabinet is seeking to engage low-income and minority populations that may be present in the project area. This engagement would facilitate the identification of all potential impacts to these underserved populations and the development of a range of minimization and mitigation measures that would serve to offset potential effects.

In accordance with the "Americans with Disabilities Act," if you have a disability for which the Transportation Cabinet needs to provide accommodations, please notify us of your requirements by October 17, 2017. This request does not have to be in writing. Please contact Charlotte Cotton at the Kentucky Transportation Cabinet, District 2 address above or call (270) 824-7080 for further information.
